

**Fallin' All In You**  
**Shawn Mendes**

[Primeira Parte]

**Ab**

Sunrise with you on my chest

**Ab**

No blinds in the place where I live

**Fm**

Daybreak open your eyes

**Fm**

Cause this was only ever meant to be for one night

**Db**

Still, we re changing our minds here

**Eb**

Be yours, be my dear

**Ab**

So close with you on my lips

**Ab**

Touch noses, feeling your breath

**Fm**

Push your heart and pull away, yeah

**Fm**

Be my summer in a winter day love

**Db**

I can t see one thing wrong

**Eb**

Between the both of us
