Am F/C
Oh, there she goes again, every morning is the same

C G
You walk on by my house, I wanna call out your name

Am F/C C
I wanna tell you how beautiful you are from where I m standing

G
You got me thinking what we could because

Am F/C
I keep craving, craving you

C
Don t know it but it s true

G Am
Can t give my mouth to say the words they wanna say to you

F/C
This is typical of love

C
Can t wait anymore,I won t wait I need to tell how I feel when I

G
See us together forever

C G
In my dreams, you re with me

F/C G
We ll be everything I wanna us to be

C G
And from there, who knows

F/C G
Maybe this will be the night that we kiss
For the first time

F/C Fm
Or is that just me in my imagination

Am F/C C
We walk, we left, we spend our time, walking by the ocean side

G Am
My hands are gently intertwined, a feeling I just can t describe

All this time we spent alone, thinking we could not belong
