We go out to shows but why do we go
 If we re only gonna see it through the screen on our phones?
 If we re all here together then why are we watching alone?
 The world s so much bigger than posing for pictures
 If all that we need s at the tips of our fingers
 Then how did this happen that we all fell so out of touch?

Hold on, time out, help me

Cause right now I wanna get lost in this moment
 Keep both my eyes open
 Nothing to prove, let s keep this to ourselves
 And yeah, disconnection has caught my attention
 I don t wanna share this with anybody else
 I wanna get lost

(D F# G A)

Tell me how it feels cause I know the hardest part
 Is when you re holding something real
 You can see it in the dark
 I ll tell you how it feels and here s the hardest part
 If you wanna reach for something real
 You gotta see it in the dark

I wanna get lost in this moment
 Keep both my eyes open

Nothing to prove, let s keep this to ourselves
And yeah, disconnection has caught my attention
I don t wanna share this with anybody else

D F# G A
I wanna get lost
