Em G
You ve got a hold of me
Bm A
Don t even know your power
Em G
I stand a hundred feet
Bm A
But I fall when I m around you

Em G
Show me an open door
Bm A
Then you go and slam it on me
Em G
I can t take anymore
Bm A
I m saying baby

Em G
Please have mercy on me
Bm A
Take it easy on my heart
Em G
Even though you don t mean to hurt me
Bm A
You keep tearing me apart

Em G Bm A
Won't you please have mercy, mercy on my heart
Em G Bm A
Won't you please have mercy, mercy on my heart

(Em G Bm A)

Em G
I'd drive through the night
Bm A
Just to be near you baby
Em G
Heart old and testified
Bm A
Tell me that I'm not crazy

Em G
I'm not asking for a lot
Bm A
Just that you're honest with me
Em G
My pride is all I got
Bm A
I'm saying baby

Em G
Please have mercy on me
Bm A
Take it easy on my heart
Em G
Even though you don't mean to hurt me
Bm A
You keep tearing me apart
Em G
Won't you please have mercy on me
Bm A
I'm a puppet on your string
Em G
And even though you got good intentions
Bm A
I need you to set me free
Em G Bm A
Won't you please have mercy, mercy on my heart
Em G Bm A
Won't you please have mercy, mercy on my heart

Consuming all the air inside my lungs
D A
Ripping all the skin from off my bones

I'm prepared to sacrifice my life

I would gladly do it twice
