I want you close to me
I want you close
I want you closer
But when you re here with me
It s hard to tell just what you re after

You say, you want all of me today
But tomorrow s not the same
My feelings never change

What do you want from me?
What do you want? Uh

I need to know
If this is mutual
Before I go
And get way too involved
I want you bad
Can you reciprocate?
No, I don t want to have to leave
But half of you s not enough for me

Bm
 This inconsistency
 G A
 What does it mean?
 Bm
 You got me questioning
 G A
 The way you act and take it back
 Bm G
 Do I mean anything?
 A G D F#m
