

Roses

Shawn Mendes

[Intro] Am G F G

Am G F G
It s not that I m afraid I m not enough for her
Am G F G
It s not that I can t find the words to say
Am G F G
But when she s with him, she seems happier
Am G F G
And I don t want to take that away

Dm Em
How many times can I see your face?
F Em Dm
How many times will you walk away?
Em F G
I just have to let you know

C F Dm G
I m not tryna start a fire with this flame
C F Dm G
But I m worried that your heart might feel the same
C F
And I have to be honest with you baby
Dm G
Tell me If I m wrong and this is crazy
Em
But I got you this rose
F
And I need to know
G Am G F
Will you let it die or let it grow?
G Am G F
Die or let it go?

Am G F G
It s not that I don t care about the love you have
Am G F G
It s not that I don t want to see you smile
Am G F G
But there s no way that he can feel the same
Am G F G
Cause when I think of you my mind goes wild

Dm Em
How many times can I see your face?
F Em Dm

How many times will you walk away?

Em F G

I just have to let you know

C F Dm G
I m not tryna start a fire with this flame

C F Dm G
But I m worried that your heart might feel the same

C F
And I have to be honest with you baby

Dm G
Tell me If I m wrong and this is crazy

Em
But I got you this rose

F
And I need to know

G
Will you let it die or let it grow?

Dm F
You can tell me to stop if you already know

Em
Though I m not sure my heart can take it

Dm F G
But the look on your face says don t let me go

C F Dm G
I m not tryna start a fire with this flame

C F Dm G
But I m worried that your heart might feel the same

C F
And I have to be honest with you baby

Dm G
Tell me If I m wrong and this is crazy

Em
But I got you this rose

F
And I need to know

G
Will you let it die or let it grow?

C F Dm G
I m not tryna start a fire with this flame

C F Dm G
But I m worried that your heart might feel the same

C F
And I have to be honest with you baby

Dm G
Tell me If I m wrong and this is crazy

Em
But I got you this rose

F
And I need to know

G

Will you let it die or let it grow?
