

The Weight
Shawn Mendes

[Intro] Em Bm C G D11/F#

Em Bm C G D11/F#
I want go back, forget that it s over
Em Bm C G D11/F#
Paint it in black, when you left me alone
Em Bm C
I never knew, she was sleeping next door
G D11/F#
With the kid I grew up with
Em Bm C
And I can t go back to her
G D11/F#
Anymore, no

Em7 C9 G D11/F#
You tell me you were happier with him, but you want me to stay
Em7 C9 G D11/F#
And you tell me that you needed time but you push me away
Em7 C9 G D11/F#
And when you try to take me back, my heavy heart just breaks
No, I can t lift the weight

(Em Bm C G D11/F#)

Em Bm C G D11/F#
Put you in the past, try to forget you cause it s over
Em Bm C G D11/F#
And every time you ask I ll pretend I m okay
Em Bm
You re inside my head
C
In the middle of the night when I don t feel right
G D11/F#
I dream I can hold you
Em Bm C G D11/F#
And I can t go back to you anymore, yeah, yeah

Em7 C9 G D11/F#
You tell me you were happier with him, but you want me to stay
Em7 C9 G D11/F#
And you tell me that you needed time but you push me away
Em7 C9 G D11/F#
And when you try to take me back, my heavy heart just breaks

Em Bm C G D11/F#
But, I can t lift the weight, and I can t lift the weight

Em **Bm**
And I can t lift the weigh, no I can t life the weight
C **G** **D11/F#**
Yeah, you stand on my shoulders and my heart just breaks

Em **Bm**
And I can t lift the weigh, no I can t life the weight
C **G** **D11/F#**
Yeah, you stand on my shoulders and my heart just breaks

Em **Bm**
And I can t lift the weigh, no I can t life the weight
C **G** **D11/F#**
Yeah, you lower your standards and I raise the stakes

Em **Bm** **C**
And I can t lift the weigh, no I can t life the weight

Em7 **C9** **G** **D11/F#**
You tell me you were happier with him, but you want me to stay

Em7 **C9** **G** **D11/F#**
And you tell me that you needed time but you push me away

Em7 **C9** **G** **D11/F#**
And when you try to take me back, my heavy heart just breaks

Em7 **C9** **G** **D11/F#**
But I can t lift the weight, and I can t lift the weight

Em7 **C9** **G** **D11/F#**
You tell me you were happier with him, but you want me to stay

Em7 **C9** **G** **D11/F#**
And you told me that you needed time but you push me away

Em7 **C9** **G** **D11/F#**
And when you try to take me back, you say someday you will change, but I don t
wanna wait

(**Em** **Bm** **C** **G**)
