

This Is What It Takes
Shawn Mendes

C G Am 2x

C G Am
I watch your troubled eyes as you rest
F G C
And i fall in love with every breath
C G Am
Wonder if those eyes are really shut
F G C
And am i the one you re dreaming of

F G
Cause underneath the darkness
C G Am
There s a light thats trying so hard to be seen
F G
And I know this, cause ive noticed
C G Am
A little bit shining through the seams

C Dm Am
And if this is what it takes
G C Dm Am G
Then let me be the one to bear the pain
C Dm Am
Oh, if this is what it takes
Am Dm C F
I ll break down these walls that are in our way
G
If this is what it takes

C G Am F G C

C G Am
You keep on telling me i m wasting time
F G C
But to call it wasting time oh that s a crime

C G Am
And you think its crazy what im tryna do
F G C
Well baby, im a fool for you

F G
Cause underneath the darkness
C G Am
There s a light thats trying so hard to be seen
F G
And I know this, cause ive noticed
C G Am
A little bit shining through the seams

C Dm Am
And if this is what it takes
G C Dm Am G
Then let me be the one to bear the pain
C Dm Am
Oh, if this is what it takes
Am Dm C F G
I ll break down these walls that are in our way

F
Cause if you dont understand yet
G
Then i ll never let you forget
Am C
That you dont have to do this on your own
F
I ll be your shoulder to lean on
G
I ll be your right when you feel wrong
Am C
So come one take my hand we re moving on

C Dm Am
And if this is what it takes
G C Dm Am G
Then let me be the one to bear the pain
