

**All In My Head**  
**Shawn Mullins**

NOTES! PLEASE READ FIRST! -

1. Just before uploading this tab I realised that Shawn Mullins has released a couple of different versions of this song. This tab follows the version that was

featured on the SCRUBS SEASON 1 SOUNDTRACK. If this sounds way off when you play

it, take a look at tab version 2 as I believe that is the correct tab for the other version of this song.

2. I am working on the solo, I will add it if I manage to get it all down. =)
