Intro: **F C Bb-C F C Bb**

Verse: **G Bb F C G Bb F F**

A good bit of me sleeps underneath  
In the bed of my soul lying next to belief  
I toss where I lay I might turn her away  
So I try to fall still dreamin someday I will

**Dm Bb**

Wake up with you beside me

**Dm Bb**

With all of your love inside me

**Dm Bb C**

So when I am gone it guides me on

Chorus: **F C Bb-C F C Bb**

Everywhere I go you know I take you with me sweet darlin  
Everywhere I go You know I take you with me

Verse: **G Bb F C G Bb F F**

A good bit of me keeps to the sky  
On the back of a cloud unaware of how high  
If I stay where I lay I might drift away soon  
From the pull of the sun I am full of the moon

**Dm Bb**

But baby you re the one who grounds me

**Dm Bb**

When the sounds of this world surrounds me

**Dm Bb C**

Your love it took a look and found me lost and on my own

Chorus: **F C Bb-C F C Bb**

Everywhere I go you know I take you with me sweet darlin  
Everywhere I go You know I take you with me

Bridge: **A Bb F C A Bb E F**

Baby I always try look at life through open eyes  
Baby my dreams came true with the treasure I found inside of you
