Intro: **F# C# B**-**C# F# C# B**

Verse: **G# B F# C# G# B F# F#**

A good bit of me sleeps underneath
In the bed of my soul lying next to belief
I toss where I lay I might turn her away
So I try to fall still dreamin someday I will
Ebm   **B**
Wake up with you beside me
Ebm   **B**
With all of your love inside me
Ebm   **B**   **C#**
So when I am gone it guides me on

Chorus: **F# C# B**-**C# F# C# B**

Everywhere I go you know I take you with me sweet darlin
Everywhere I go You know I take you with me

Verse: **G# B F# C# G# B F# F#**

A good bit of me keeps to the sky
On the back of a cloud unaware of how high
If I stay where I lay I might drift away soon
From the pull of the sun I am full of the moon
Ebm   **B**
But baby you re the one who grounds me
Ebm   **B**
When the sounds of this world surrounds me
Ebm   **B**   **C#**
Your love it took a look and found me lost and on my own

Chorus: **F# C# B-C# F# C# B**

Everywhere I go you know I take you with me sweet darlin
Everywhere I go You know I take you with me

Bridge: **Bb B F# C# Bb B F F#**

Baby I always try look at life through open eyes
Baby my dreams came true with the treasure I found inside of you
