Intro: **E B A-B E B A**

Verse: **F# A E B F# A E E**

A good bit of me sleeps underneath
In the bed of my soul lying next to belief
I toss where I lay I might turn her away
So I try to fall still dreamin someday I will

C#m **A**
Wake up with you beside me
C#m **A**
With all of your love inside me
C#m **A** **B**
So when I am gone it guides me on

Chorus: **E B A-B E B A**

Everywhere I go you know I take you with me sweet darlin
Everywhere I go You know I take you with me

Verse: **F# A E B F# A E E**

A good bit of me keeps to the sky
On the back of a cloud unaware of how high
If I stay where I lay I might drift away soon
From the pull of the sun I am full of the moon

C#m **A**
But baby you re the one who grounds me
C#m **A**
When the sounds of this world surrounds me
C#m **A** **B**
Your love it took a look and found me lost and on my own

Chorus: **E B A-B E B A**

Everywhere I go you know I take you with me sweet darlin
Everywhere I go You know I take you with me

Bridge: **G# A E B G# A Eb E**

Baby I always try look at life through open eyes
Baby my dreams came true with the treasure I found inside of you
