One from his new CD which I love!

D----2-----2----2--|
A---2-----2----2--|
E--0-----0----0--|
```

Pretty easy song to play...

A  
The funniest girl I ever knew  
**G#** **C#**  
had hair as orange as Halloween  
**G#** **Eb**  
The bluest eyes that saw right through  
**C#**  
all the b.s. in everything

A  
She was an artist from the start  
**G#** **C#**  
and she always sang from the bottom of her heart

**G# Eb**

And through her road was so long

**G#/C# Ebsus4 C#**

she finally made her way back home

**G#/C# Ebsus4 C#**

yeah she finally made her way back home

The loneliest kid I ever saw  
owned and old man s callused hands  
sitting barefoot in front of an dime store  
in a place some called the promised land  
he had hollow sunken eyes  
but he was smiling big like he d won some kinda prize  
he was ragged, he was rolling like a stone  
in the dirty city streets that he called home  
yeah the dirty city streets that he called home

Hobos, tramps and troubadours  
don t ride in boxcars like they did before  
seems like most of heroes just ain t around no more

I know I m lucky to sing my songs  
and if you want to you can sing along  
We ve been on this road so long  
Won t you help me find my way back home?  
Help me find my way back home

End on an A chord.

That s all there is to it, enjoy!!
