Never Felt Like This Before
G / C

G
Open baby you ve left me
C
Oh and now I m shattered into a million pieces
G
Can t stop looking over my shoulder
C
Just in case you realize just how much you want this

Am
The longer the sweeter baby don t stop
its ok coz I m down for you

D
not gunna stop till you tell me to
Am
I m into you like a bad ass dude
tell me how did this happen
D
I ll never know now what to do-ooo oh oh oh

G D C
I ve never felt like this before
D
Can t say that you don t make me hot
C
All I want is summa what you got babe
G D C
I ve never felt like this before
D
I m loving every minute of it don t stop
Am Em
You are all I ever want

G
Empty standing where you ve left me
C
Cold boy now I m frozen

By a kiss from your lips

G

Your heart tells me that your open

C

Melted by the answer

I ve been waiting to hear

Am

Now that you told me boy I cant stop

In a flash I m all over you

D

I couldn t stop if you told me to

Am

I m into you like a bad ass dude

tell me how did this happen

D

I ll never know now what to do-ooo oh oh oh

G **D** **C**

I ve never felt like this before

D

Can t say that you don t make me hot

C

All I want is summa what you got babe

G **D** **C**

I ve never felt like this before

D

I m loving every minute of it don t stop

Am

Em

You are all I ever want

D

Can t hold this down or be cool

Not playing my heart can I fly

Am

I m feeling you (feeling you feeling you)

D

So I just get down to the truth

Am

Can t nobody do to me baby like you do (you do you do-ooo)

(No guitar)

I ve never felt like this before

Can t say that you don t make me hot

C

All I want is summa what you got babe

G D C

I ve never felt like this before

D

I m loving every minute of it don t stop

Am

You are all I ever want

G D C

I ve never felt like this before.....

Hope it s upto scratch...
