

I Knew It Would Happen This Way
She & Him

I usually play this on the 4th fret, Enjoy!

Em **Bm**
Hair got caught in the sunlight, darling
Em **A7**
But I just wasted the day
C **Em**
I knew it would happen, this way

Em **Bm**
Can't get up in the morning lately
Em **A7**
And I'm just stuck in a dream
C **Em**
I'm always in the ship in, the stream

Em **Bm** **Em** **A7**
I'm not wasting away
C **Em** **Bm**
and you don't want me anymore

Em **Bm**
You're free to do what you want, I know
Em **A7** - stop.
But I can't be on the clock
C **Em**
I won't be waiting, on the dock
