

**These Things
She Wants Revenge**

[Intro]

Am F Dm F F6+Dm7

[Verse 1]

Am There s nothing to see here, people, keep moving on **F**

Slowly their necks turn, and then they re gone
Dm

No one cares when the show is done
F E7

Am Standing in line, and it s cold, and you want to go **F**

Remember a joke, so you turn around
Dm

There s no one to listen, so you laugh by yourself
F E7

[Chorus]

Am I heard it s cold out, but her popsicle melts

She s in the bathroom, she pleasures herself
F

Says I m a bad man, she s locking me out
Dm

It s cause of these things, it s cause of these things
F E7

Let s make a fast plan, watch it burn to the ground
Am

I try to whisper, so no one figures it out
F

I m not a bad man, I m just overwhelmed
Dm

It s cause of these things, it s cause of these things
F E7

[Instrumental]

Am F Dm F F6+Dm7

[Verse 2]

Am The crowd on the street walks slowly, don t mind the rain **F**

Lovers hold hands to numb the pain
Dm

Gripping tightly to something that they ll never own
F Am E7

Am And those by themselves by choice or by some reward **F**

Dm

No mistakes, only now you're bored

F

E7

This is the time of your life, but you just can't tell

[Chorus] x2

Am

I heard it's cold out, but her popsicle melts

F

She's in the bathroom, she pleasures herself

Dm

Says I'm a bad man, she's locking me out

F **E7**
It's cause of these things, it's cause of these things

Am

Let's make a fast plan, watch it burn to the ground

F

I try to whisper, so no one figures it out

Dm

I'm not a bad man, I'm just overwhelmed

F **E7**
It's cause of these things, it's cause of these things

Am

I heard it's cold out, but her popsicle melts

F

She's in the bathroom, she pleasures herself

Dm

Says I'm a bad man, she's locking me out

F **E7**
It's cause of these things, it's cause of these things

Am

Let's make a fast plan, watch it burn to the ground

F

I try to whisper, so no one figures it out

Dm

I'm not a bad man, I'm just overwhelmed

F **E7**
It's cause of these things, it's cause of these things
