

The Convert Shearwater

Verse 1

G **C** **Dsus** **G/F#**
I forgot I was loving you
Em **C** **D**
Disappeared for an hour or two
G **C** **Dsus**
And I came to on a cold, wood floor
G/F# **Em** **C** **D**
And I didn't feel so good anymore

Chorus

G **D** **C** **G**
Now we clasp our hands And we make demands
G/F# **Em** **C** **D**
That the clouds will say what's wrong with you now
G **D** **C** **G**
And we had big plans Now alone we stand
G/F# **Em** **C** **D**
In the crowd and they're not even laughing out loud
Em | **C** **D**
They don't care

Verse 2

G **C** **G** **G/F#**
I'll shut my eyes and let 'em
Em **C** **D**
Whisper, laugh and talk to me
G **C** **G** **G/F#**
And I'll curl up tight inside my head
Em **C** **D**
Killing time 'til the whole day is dead

Chorus 2

G **D** **C** **G**
And I'll clasp my hands And I'll make demands
G/F# **Em** **C** **D**
That the clouds are asking what's wrong with him now
G **D** **C** **G**
And I had big plans Now alone I stand
G/F# **Em** **C** **D**
In the crowd and they're not even laughing out loud
Em | **C** **D**
They don't care

Bridge

Am **G** **G/F#**
God, take that sound away
Em
If you've got something to say
D **Dsus** **D**
Say it now
Am **G** **D**
It's fake and I need you not to be fake
Am **C**
And don't care how you make me feel
D **C** **D**
Just so you're real

Verse 3

G **C** **G**
Once I saw my face in a bathroom mirror
G/F# **Em** **C** **D**
And I didn't know that I was here
G **C** **G**
But I knew my eyes and I knew my hands
G/F# **Em** **C** **D**
I knew God would now listen to all my demands

Chorus 3

G **D** **C** **G**
And the sky opened up And God interrupted
G/F# **Em** **C** **D**
The Earth stopped dying and stopped giving birth
G **D** **C** **G**
And when I came to on the cold, wood floor
G/F# **Em** **C** **D**
Well, I didn't feel so good anymore

G **D** **C** **G**
And all that sure love And all their sweet words
G/F# **Em** **C** **D**
I'd forgotten I'd felt and forgotten I'd heard
G **D** **C** **G** **G/F#** **Em**
That was was clear And is now so blurred and smeared
C
And your love felt more pure
Em **C** **D**
And your love felt more pure once your voice
| **G** **D** **C** **G** **G/F#** | **Em** **C** **D** | **G**
disappeared
