Sheila and the Insects

Song Title: Pretty Loser

Artist: Sheila and the Insects (SATI)

E

Do you know the way?

G#m

Do you know the turns and the side roads?

F#m

E~~

The turns and the side roads that lead all the way to your heart

E

People say you re pretty

G#m

People say you re pretty much an angel

F#m

E~~

An angel but dare I say you seem to believe it too much

A

And all the neighbors think that you re something

G#m

To some extent I tend to agree

A

But if by chance you end up alone well

F#m

B

I think I might take you in for free

E

You re such a pretty loser

G#m

That s why I want to make you mine

F#m

A pretty pretty loser

E~~

You re so a loser but I don t mind

E-G#m-F#m-E

E

You want to steal the show

G#m

You think you know it all and a lot more

F#m

E~~

But girl, don t you think you ve stretched your drama too far

E

I can tell you all your dirty secrets

See through all your lies

G#m

People scare me, people warn me

People ask me ask me why

F#m

Yaddah yaddah yaddah yaddah yaddah

Blah blah blah

E~~

Yaddah yaddah yaddah yaddah yaddah

Blah blah blah

A

G#m

Can t you see it s such a complicated task?

A

F#m B~

To dissect and study the anatomy of what you ask of me

E

You re such a pretty loser

G#m

That s why I want to make you mine

F#m

A pretty pretty loser

E~~

You re such a loser but I don t mind

E-G#m-F#m-E

E-G#m-F#m-E

A

Cause you re such a pretty baby

G#m

And I just thought that maybe

F#m

E~

Maybe I could make you mine

E

My pretty loser

E

My own pretty loser
