

**Still Gonna Die**  
**Shel Silverstein**

**G** **D**  
You can quit smokin but your still gonna die

**G**  
Cut out cokin but your still gonna die

**C**  
Eliminate everything fatty and fried and

**G** **D** **G**  
you can get real healthy but your still gonna die

**D**  
Stop drinkin booze your still gonna die

**G**  
Stay away from loose women, son, your still gonna die

**C**  
You can cut out coffee and never get high

**D** **G**  
but your still gonna, still gonna, still gonna die  
chorus

**G** **D**  
Still gonna, still gonna, still gonna die

**G**  
Still gonna, still gonna, still gonna die

**C**  
You can even give aerobics one more try but

**D** **G**  
when the music stops playin your still gonna die

**D**  
Put seatbelts in your car your still gonna die

**G**  
Cut nicotine and tar your still gonna die

**C**  
You can exercise that celulite right off of your thigh,

**D** **G**  
get slimmer and trimmer but your still gonna die

**D**  
Stop gettin a tan your still gonna die

**G**  
Eat a lot of oat bran your still gonna die

**C**  
You can search for UFOs up in the sky,

**D** **G**  
might fly you to Mars where your still gonna die  
chorus

**G** **D**  
Your still gonna, still gonna, still gonna die

**G**  
Your still gonna, still gonna, still gonna die

**C**
