

**Gotta Be Better**  
**Shelby Lynne**

Intro: **E**

**E**

Been chasin my tale for years

**G**

Flying by and runnin from terror and from fear

**A**

**G**

**E**

Time to think clearly for the place I ve been holdin out for

**G**

My feet are getting wetter

**A**

**E**

It s gotta be better over there

**E**

My radio is broken and the static is the sound

**G**

Compounded by the uselessness not knowing where I m bound

**A**

My feet are getting wetter

**G**

**E**

It s gotta be better over there

G barre

Did you ever think you d ever walk on hallowed ground

**A**

Don t ya like to think that things are lost and never found

G barre

Discover all the secrets and head out for the sound

**A**

Did you hear the voice that makes your fever

**A**

**E**

Gotta gotta gotta gotta gotta gotta whooo

**E G A G E**

NC

I think this plane is leavin for the side of earth unknown

I know I m only wearing what my body only knows

My feet are getting wetter

**E**

It s gotta be better over there

**E**

I m ripping of the knob coz I found it and it s good

**G**

I should ve taken chances when my chances were so good

**A**

My feet are getting wetter

**G**

**E**

It s gotta be better over there

G barre

Did you ever think you d ever walk on hollowed ground

**A**

Don t ya like to think that things are lost and never found

G barre

Discover all the secrets and head out for the sound

**A**

Did you hear the voice that makes your fever

**A**

**E**

Gotta gotta gotta gotta gotta gotta whoooo

**E G E G E**
