There will come a day when they gather and stand around
Revel in the glory and my body in the ground
There will be disciples and a shroud that covers me
I won t be afraid cause my soul has been set free

verse = **Am Em Dm**
100 so miles from the Mobile River
Lord I can t have her so I got to kill her
Heaven s only days down the road
A liquor store down on the county line
Don t want all the land but what s next to mine
Heaven s only days down the road

I been insane since I was 9
Asus
Never was the cryin but the fightin kind
Dm Dmmaj7

G7sus4
Load up the gun full of regret
Asus
I ain t even pulled the trigger yet
Dm Dmmaj7
Oh yeah

verse = **Am Em Dm**
Lost all the faith a man can own
My hopes are empty and so is my soul
Heaven s only days down the road
Look at my fate in the paper now
I want to put her back but I don t know how
Heaven s only days down the road

Chorus

Nobody wants me down here no more
Look at what I did to make then hate me for
Oh yeah
Can t blame the whiskey or my Mammy s ways
2 little girls are better off this way
Oh yeah.

Play harder **Am** to **Em** to **Dm** Ohhhh ooooo **Am, Em, Dm** 4x

Am	Em	Dm
Oh heaven s only days down the road		
Oh heaven s only days down the road.		
Oh heaven s only days down the road.		

Am to **Em**

Down the road.
Down the road.
Down the road.

(two gunshots- I don t think the song would be the same without the
demonstrative sound
at the end)
