(**A** | **C#m** | **F#m** | **Bm E**)

I didn't mean to hurt your feelings
It was so careless of me
I guess I've gone and done it
It's just a matter of time
Nothing I can do, but tell you I'm sorry
And that's the hardest part of all

(**A** | **C#m** | **F#m** | **Bm E**)

Cus your love is the killin' kind
Your love is the killin' kind

(**A** | **C#m** | **F#m** | **Bm E**)

I'd rather walk on glass than see tear drops in your eyes
And I found the pieces just to hold you the best thing in my life
It's just like I get to love you
You're the one thing that's right
You're the light in my hell's darkness

(**A** | **C#m** | **F#m** | **Bm E**)

Cus your love is the killin' kind
Your love is the killin' kind... (Oh Yeah)

(**F#m** | **F#m** | **F#m** | **F#m**)

(Why?)
I just might cry now
(Die)
Lay down and die now
(Why?)
You've done it to me
You're putting me under

(**A** | **C#m** | **F#m** | **Bm E**)

I close my eyes and I sit on the sky
I love you and all its pleasures
Baby it feels so right my arms won't be of any use at all if I can't hold you?

(**A** | **C#m** | **F#m** | **Bm E**)

Cus your love is the killin' kind
Your love is the killin' kind
Cus your love is the killin' kind
Your love is the killin' kind

(Oh Yeah)

(A | C#m | F#m | Bm E)

Oh darling baby...
I adore you darling...
I just want to say I m sorry...
I ll do anything, anything...
To bring me to you baby...
Don t leave me darling...
Don t leave me baby...
I m dying for you baby...
You re killin me baby...
Believe me darling...
