The Thief
Shelby Lynne
Capo 5

INTRO

Dm Em F G

{Verse 1}

C **Em**
Cold on a Friday afternoon

F **G**
Youâ€™re on the other side of the room.

C **Em**
Even with the fire burning strong

F
Itâ€™s chilly when I think about us

G
Living all alone

{Chorus}

F
If I thought a million bucks
Em
Could make you want to just stand up

Dm **G** **C**
And walk into my love like before.

F
Iâ€™d rob a rich mans diamond mine

Em
And make you be my valentine

Dm
Say the word and Iâ€™ll become

G
A thief

{Verse 2}

C **Em**
Voice in the wind sings through the trees

Dm **G**
Reminds me of the nights together, you and me

C **Em**
As we sit parted listening to a song

Dm
I think of you and hope youâ€™ll want me

G
Once again

{Chorus}

C Em Dm G
00000000000000000000000000000000
{Chorus}
C Em Dm G C
oooooooooooooooooooooooooooo
