THINGS ARE TOUGH ALL OVER
SHELBY LYNNE

INTRO: (C) **F G F Dm**

VERSE:

C
I can t believe your calling me
F **C**
Did you run out of things to do
C
Are you bothered by old memories
F **G**
Has guilt got the best of you

PRE-CHORUS:

F
I can t imagine what you d want with me
C
You must have come up short tonight
F
I thought you were happy being free
G
But your voice tells me that s not right

CHORUS:

(G) **F**
Guess things are tough all over
G **C**
Even on the single side of town
F
I guess it s harder than you thought it be
G **C**
Without my loving arms around
F
And now the beating of your lonely heart
Am

Is the cold nights only sound

F

Guess things are tough all over

G **C** **C F G F Dm**

When old memories get you down

VERSE:

C

Well you ask me if I think about you

F **C**

What are you expecting me to say

C

Well I do but I can live without you

F **G**

It s too late to ask me anyway

PRE-CHORUS:

F

So if you re calling for sympathy

C

Cause I m getting harder to forget

F

I won t be a one night remedy

G

To help you live with your regret

CHORUS:

(G) **F**

Guess things are tough all over

G **C**

Even on the single side of town

F

I guess it s harder than you thought it be

G **C**

Without my loving arms around

F

And now the beating of your lonely heart

Am

Is the cold nights only sound

F

Guess things are tough all over

G **C**

When old memories get you down
