1000 hurts

[Intro]
```
Em                Cmaj7/G
To the one true God above
Am          C
Here is my prayer
```

```
Em                    Cmaj7/G        Cmaj7/G
Not the first you ve heard, but the first I wrote
Em                    Cmaj7/G      Am          C
Not the first, but the others were a long time ago
Em          Cmaj7/G             F          Em
There are two people here, and I want you to kill them
```

[Verse 2]
```
Em                Cmaj7/G      Am          C
Her - she can go quietly, by disease or a blow
Em                Cmaj7/G
To the base of her neck
      F             Em
Where her necklaces close
          Em            Cmaj7/G
Where her garments come together
        Am            C
Where I used to lay my face...
Em                    Cmaj7/G
That s where you oughta kill her
F              Em
In that particular place
```

[Verse 3]
```
Em                  Cmaj7/G            Am          C
Him - just fucking kill him, I don t care if it hurts
Em          Cmaj7/G
Yes I do, I want it to
          F            Em
Fucking kill him but first
Em                    Cmaj7/G
```

```
Make him cry like a woman
Am              C
No particular woman
        Em         Cmaj7/G
Let him hold out, hope that
F                       Em
Someone or other might come

[Verse 4]
             Em
Then fucking kill him
Cmaj7/G
Fucking kill him
Am                  C
Kill him already, kill him
        Em                  Cmaj7/G
Fucking kill him, fucking kill him
F                   Em
Kill him already, kill him
          Em
Fucking kill him!
        Cmaj7/G
Fucking kill him!
Am                  C
Kill him already, kill him
              Em
Just fucking kill him!
        Cmaj7/G
Fucking kill him!
          F                   Em
Fucking kill him already, kill him
                Em
Ah, fucking kill him

        Cmaj7/G
Fucking kill him
Am                  C
Kill him already, kill him
Em
Kill him already
Cmaj/7
Kill him already
F                   Em
Kill him, fucking kill him

                Em
Just fucking kill him
        Cmaj7/G
Fucking kill him
Am                  C
Kill him already, kill him
        Em
Fucking kill him
```

```
Cmaj7/G
Kill him
        F                    Em
Fucking kill him already, kill him

Em                  Cmaj7/G
Kill him, fucking kill him
Am                   C
Kill him, just fucking kill him
Em
Kill him already
Cmaj7/G
Kill him already
F
Kill him
Em
Amen
```
