Great 80 s tune (standard tuning Acoustic sounds great here and the ladies just love it..)

When I m with You

A **D E** **A**
I never needed love like I need you
D E
And I never lived for nobody, but I live for you
D E A C#M D E
Oooh, babe, lost in love is what I feel when I m with you
A D E A
Maybe it s the way you touch me with the warmth of a sun
D E
Maybe it s the way you smile, I come all undone
D E A C#M D E
Oooh, babe, lost in love is that I feel when I m with you

A D E D A E
Baby, oh I get chills when I m with you
A D E D A
Baby, my world stands still when I m with you
N/C
When I m with you

I never cared for nobody like I care for you
And I never wanted to share the things I want to share with you
Oooh, babe, lost in love is what I feel when I m with you

Baby, oh I get chills when I m with you
Baby, my world stands still when I m with you
When I m with you

Baby, oh I get chills when I m with you
Baby, my world stands still when I m with you
When I m with you
When I m with you
When I m with you...
