Title: Ground Beneath My Feet

I definitely have to capo up or change the key a little on this one, but your vocal range may vary...

[Verse]

G
I saw the light dance on your face
D
Paint the shadows of your shape
C **G D**
Back when the season made the days so long

G
And if I knew my time would come
D
With the lines rehearsed but never sung
C
I'd leave the chorus on your tongue
G D
I swear

[Chorus]

Em C D
Now I look around to see the ground beneath my feet
Em C D
Every second takes a thousand days away from me
Em
And if I close my eyes
C G D
I hear the gates swing wide
Em
And by the morning light
C G D
I will have seen both sides

[Verse]

G C D
I've got a funny feeling that it's my day to leave
Em C G D
Shoulders down the sweat drips across my cheek
G C G D
As I turn I can taste the salt in the shallow sea

Em G D
I feel their hearts beating next to me

Em G D
I hear the chatter of my teeth

[Chorus]

Em C D
And I look around to see the ground beneath my feet

Em C D
The final thrill, the quiet spill, the vile retreat

Em C G D
Do you see the waves running away from me?

Em C G D
You taste the cold here in the air i breathe

Em C G D
Why d you let me go? Cause I can no longer see

[Bridge]

And I scream

G
Oh my god

G
Oh my god

G
Oh my god

G
Oh my god

G
Oh my god

G
Oh my god

[Chorus]

Em C D
Now I look around to see the ground beneath my feet

Em C D
Every second takes a thousand days away from me

Em
If I close my eyes

C G D
I hear the gates swing wide

Em
And by the morning light

C G D
I will have seen both sides

Em
So why d you let me go?

C G D
I can no longer see

G

And I can t breathe
