## Ground Beneath My Feet Sherwood

Artist: Sherwood Album: QU (October 13, 2009) Title: Ground Beneath My Feet I definitely have to capo up or change the key a little on this one, but your vocal range may vary... [Verse] I saw the light dance on your face Paint the shadows of your shape Back when the season made the days so long And if I knew my time would come With the lines rehearsed but never sung I d leave the chorus on your tongue I swear [Chorus] Em Now I look around to see the ground beneath my feet Em C Every second takes a thousand days away from me And if I close my eyes С G I hear the gates swing wide And by the morning light G I will have seen both sides [Verse] I ve got a funny feeling that it s my day to leave Shoulders down the sweat drips across my cheek

As I turn I can taste the salt in the shallow sea

```
I feel their hearts beating next to me
          Em
              G
I hear the chatter of my teeth
[Chorus]
And I look around to see the ground beneath my feet
The final thrill, the quiet spill, the vile retreat
                                   G
Do you see the waves running away from me?
                                C G D
You taste the cold here in the air i breathe
                 Em
Why d you let me go? Cause I can no longer see
[Bridge]
And I scream
Oh my god
[Chorus]
Now I look around to see the ground beneath my feet
             \mathbf{E}\mathbf{m}
                              C
Every second takes a thousand days away from me
If I close my eyes
               G
I hear the gates swing wide
And by the morning light
                G D
I will have seen both sides
So why d you let me go?
         C
           G D
I can no longer see
```
