Title: Ground Beneath My Feet

I definitely have to capo up or change the key a little on this one, but your vocal range may vary...

[Verse]

F
I saw the light dance on your face
C
Paint the shadows of your shape
Bb **F C**
Back when the season made the days so long

F
And if I knew my time would come
C
With the lines rehearsed but never sung
Bb
I'd leave the chorus on your tongue
F C
I swear

[Chorus]

Dm **Bb** **C**
Now I look around to see the ground beneath my feet
Dm **Bb** **C**
Every second takes a thousand days away from me
Dm
And if I close my eyes
Bb F C
I hear the gates swing wide
Dm
And by the morning light
Bb F C
I will have seen both sides

[Verse]

F **Bb** **C**
I've got a funny feeling that it's my day to leave
Dm **Bb** **F** **C**
Shoulders down the sweat drips across my cheek
F **Bb** **F** **C**
As I turn I can taste the salt in the shallow sea

I feel their hearts beating next to me

I hear the chatter of my teeth

[Chorus]

And I look around to see the ground beneath my feet

The final thrill, the quiet spill, the vile retreat

Do you see the waves running away from me?

You taste the cold here in the air i breathe

Why d you let me go? Cause I can no longer see

[Bridge]

And I scream

Oh my god

Oh my god

Oh my god

Oh my god

Oh my god

Oh my god

[Chorus]

Now I look around to see the ground beneath my feet

Every second takes a thousand days away from me

If I close my eyes

I hear the gates swing wide

And by the morning light

I will have seen both sides

So why d you let me go?

I can no longer see

F

And I can t breathe
