(Use Riff throughout verse)

I am strong  
I am able  
I spill milk on your table  
Then I cry like a baby  
Just to see if you save me  
I am sweet  
I am ugly  
I am mean if you love me  
I try hard just to please you  
When I say I don t need you  
I dress up with a conscience  
When I think you ll be watching  
I say all the right things  
I don t know what I mean

(Back to Riff)

I am ignorant and rude  
I am fashionably crude

And sometimes when it s quiet  
I m an angel in white  
When I pose in the mirror  
I want everyone near me  
I am scared that I m weird  
I m afraid I am queer  
I am lovely and weak  
I am foul when I speak  
I am strange when I m kind  
I am frying my mind
