Detours - Sheryl Crow

Intro: **G Gsus2 G G Bb Amin G G**

V1

**G Gsus2**  
Mother can you hold me together  
**Bb Amin G**  
It s so dark and I m losing my way  
**G**  
It took all of these detours to find love  
**Bb Amin G**  
But when I did it just faded away

Chorus:

**Emin G C G**  
Now what do I do with this sweet love of mine  
**Emin G F D**  
Do I give it away, and hope someday I ll find  
**G Amin B- C**  
Someone half as awake as the moon and the stars  
**F C**  
Mother teach me to love  
**G**  
With a paper thin heart

V2

**G Gsus2**  
Mother your words are so healing  
**Bb A- G**  
You speak of love, and of light, and of peace  
**G**  
But I ve made it my course to avoid you  
**Bb A- G**  
Just to hide from these feelings of grief

Chorus:

**Emin G C G**  
Now what do I do with this sweet love of mine  
**Emin G F D**  
Do I give it away, and hope someday I ll find  
**G Amin B- C**  
Someone half as awake as the moon and the stars  
**F C**  
Mother teach me to love  
**G**  
With a paper thin heart

Chorus:

**Emin**      **G**                      **C**                      **G**  
Now what do I do with this sweet love of mine  
**Emin**      **G**                      **F**                      **D**  
Do I give it away, and hope someday I ll find  
**G**              **Amin**                      **B-**                      **C**  
Someone half as awake as the moon and the stars  
**F**                      **C**  
Mother teach me to love  
**G**  
With a paper thin heart

V3

**G**                      **Gsus2**  
Mother, I know you are with me  
**Bb**                      **A-**                      **G**  
You were there when I took my first breath  
**G**  
I can t stop looking back for the answers  
**Bb**                      **A-**                      **G**  
I just keep coming up with regret  
**Bb**                      **A-**                      **G**  
There are some things I just can t forget
