HOMESICK
SHERYL CROW

INTRO: **C F C F**

VERSE:

C F
I've gotten used to being gone
C F
Silhouettes and unmade beds
C F
And more and more when I'm alone
C F
I think of you

VERSE:

C F
I'm getting tired of going nowhere
C F
But it's all I ever do
C F
I can turn this thing around
C F
Guess I don't want to

PRE-CHORUS:

G E
I turn the key, open up the door
Am F G
Sit my suitcase down on the hardwood floor
E
And I call your name, and I climb the stairs
Am F
Then I realize that you're not there

CHORUS:

C F
And I get homesick

C F
I get homesick
C F
I get homesick
C F C F
For anywhere but home

VERSE:

C F
I think I used to have the answers
C F
Oh but now I just don't know
C F
Well that question still hangs on
C
Why did I let you go?
F
Why did I let you go?

PRE-CHORUS:

G E
I turn the key, open up the door
Am F G
Set my suitcase down on the hardwood floor
E
And I call your name, and I climb the stairs
Am F
Then I realize that you're not there

CHORUS:

C F
And I get homesick
C F
I get homesick
C F
I get homesick
C
For anywhere but home

BRIDGE:

Am E F C
Oooh, I keep wishing I'll lose my mind time and time again
Am E
There's a picture of it in my head
F
Of me and you up there

CHORUS:

C **F**
And I get homesick

C **F**
I get homesick

C **F**
I get homesick

C
For anywhere but home

F
Anywhere but home

CHORUS:

C **F**
I get homesick

C **F**
I get homesick (Oh yes I do)

C **F**
I get homesick

C (**F**)
For anywhere but

C **F** ;
Anywhere but home

C **F**
Oh but anywhere but home

C **F** **C**
Cause I miss you
