I know it s true  
No one heals me like you  
And you hold the key

verse 4:  
Never again  
Would I turn away from you  
I m so heavy tonight  
But your love is alright  
And I do believe

05) CHORUS:

guitar one plays the same thing as in the verse  
until won t where she goes on like a second  
rhytm guitar playing a F something chord.  
guitar two plays the rhytm guitar as indicated:

c#m7 B  
That s not everything is gonna be

A  
the way I think it ought to be

c#m7 B  
It seems like everytime I try to make it

all comes down on me

c#m7 B F? (by guitar one until....)  
Please say honestly you won t give up on me

.....now, then it goes on as in the verse four times)

And I shall believe

E  
And I shall believe

That s all ! Make sure to get a copy of All I wanna do  
It s an amazing single with I shall believe recorded live.  
The live version is much better than the studio and what a  
voice Sheryl has.
