Maybe angels

Down here I feel like a citizen of nowhere
My bags all packed in case they ever come for me
Got a hundred stories and tabloid lies
Got witnesses to what the government denies
So I'm headed down to Roswell to wait and see

I swear they're out there,
I swear, I swear they're out there,
I swear, I swear they're out there,
I swear, maybe angels, maybe angels

Bm G
Oh what a mystery

Oh, I believe, I believe, I could leave

My sister, she says she knows Elvis
She knows Jesus, John Lennon, and Cobain personally
Well, but I m too wise to believe my eyes
Cause all I ve seen just terrifies me
But I believe they re coming back for me

I swear they re out there,
I swear, I swear they re out there,
I swear, I swear they re out there,
I swear, maybe angels, maybe angels
