Missing Sheryl Crow MISSING Feeling weak today Run the risk of tears Em7 Falling down your cheeks From all the lonely years Holding back your love Em While she races up the hill Em7 Chase what you dream of But always standing still **CHORUS** All in all you see Everything is history Em7 Think of all that you've been missing D Every now and then \mathbf{Bm} Shadows bring you back again Think of all the things you're missing Lay the pictures out Pull the curtains down Don't let us see you break Your happiness you fake Sending up a flare Bm Em If anybody really cares

```
Em7
To talk a little while
The past to reconcile
CHORUS
D
Every now and then
Bm Em
I can almost picture him
And think of all the things
Of all the things
Of all the things
D
     G
Well I do, I do
Em
Hear the morning creeping in
And the spirits sings again
Well you will, you will
See the beauty in this moment
Every time you're standing still
These times are temporary
Bm
        Em
Some day the wind will carry you home
Em7
And you'll be free
And you'll be free
No one will pull you down
         \mathbf{Em}
You'll wake up and look around
Em7
And never again
Think of all that you've been missing
CHORUS
```
