 Well tell your thirst love has passed

F 2
 You carry on, carry the world
 3
 You must get worn with all the weight
 E 2 3
 I take it in but you won t no where
 (3)
 And no where s where we re headed fast

[Chorus]

Cm **Bb** **F**
 Oh, oh, Rodeo
Cm **Bb** **Bb**
 Slow turning to and fro

Cm **Bb** **F**

Oh, oh, Rodeo

Bb

Where we land no one knows

E 2 3

no one knows...

We re not blind to what it is
In other words, the ignorant kind
Well life is short, but oh it s wide
It s wide enough to change your mind

Well I believe in ever-after
Just in case what s after that
Don t I love you like the angels
And could you ever love me back?

[Chorus]

Strangers now we are becoming
Stranger now we have become
If any fiction every returns
Returned by the coolest one

[Chorus]
