To make it easier:

C#m11 = 2

$$C_{m7+5} = 3$$

E 2 3
There comes a son, A son of angels
(3)
Carrying an empty glass
Eb 2
Trying to fill it to the surface
3
Well tell your thirst love has passed

Eb 2
 You carry on, carry the world
 3
 You must get worn with all the weight
 E 2 3
 I take it in but you won't know where
 (3)
 And nowhere where we're headed fast

[Chorus]

Bbm G# Eb
Oh, oh, Rodeo

Bbm G# G#
Slow turning to and fro

Bbm G# Eb

Oh, oh, Rodeo

G#

Where we land no one knows

E 2 3

no one knows...

We re not blind to what it is
In other words, the ignorant kind
Well life is short, but oh it s wide
It s wide enough to change your mind

Well I believe in ever-after
Just in case what s after that
Don t I love you like the angels
And could you ever love me back?

[Chorus]

Strangers now we are becoming
Stranger now we have become
If any fiction every returns
Returned by the coolest one

[Chorus]
