

The Book
Sheryl Crow

Intro: E Em E Em E Em

I read your book

And I find it strange

That I know that girl

That I know her world

A little too well

And I didn't know

By giving my hand

That I would be written down,

sliced around, passed down

Among strangers hands

Three days in Rome

Where do we go

I'll always remember

Three days in Rome

Never again

Would I see your face

You carry a pen

and a paper and no time

And no words

You waste

You're a voyeur

The worst kind of thief

G

To take what happened to us

D

To Write down everything
that went on

E E

Between you and me

G D C#*
