```
C# Eb
  F
                          Bb
If you could only see
            C#
                     Eb
                               Bb
What love has made of me
    F C#
                 Eb
                             Вb
Than I d no longer be in your mind
            Bb
                   C
The difficult kind
Cuz babe I ve changed
I crossed the canyon a thousand times
                 Eb
But never noticed what was mine
What you ll remember of me tonight
       C#
Well it almost makes me cry
      Вb
                       Eb
Yeah it almost makes me cry
(chords go like on chorus)
Uhhh.....
Oh ballbreaking moon
               Eb
                       Bb
And ridiculing stars
        F
Oh the older I get
                     Вb
The closer you are
Don t you got somewhere
                        Вb
               Eb
That you need to be
Instead of hanging here
              Eb
                            C7sus4
                    Bb
Making a fool of me
CHORUS
. . . . . . . . . .
                       Eb
         C
You won t see
The change in me
Eb
Ohhhhh.....
```
