

When Love Is Over  
Sheryl Crow

Intro

**Em A**

**Em A**

**Em**

I know I ask for nothing

**G**

And that's what I got from you tonight

**Em A**

I guess I thought you'd changed

**Em**

Leaving becomes too easy

Easy by morning light

**G**

**Em A**

I still cannot explain

**Em**

**A**

Is it enough to ask and not receive

**Em**

**A**

Just one more kiss before you turn and leave

**Em**

When love is over

**A**

Over it should be

**G**

But something still burns in me

**Em A**

**Em A**

**Em**

A hundred solid reasons

The answers come in waves

**G Em A**

But I'm all for calmer seas

**Em**

You're only lost in the shuffle

But in your usual way

**G Em A**

It's you who always come to me

**Em**

**A**

I've burned up pages, hidden yesterdays

**Em**

**A**

Hereâ€™s one more glance before I turn away

**Em**

When love is over

**A**

Over it should stay

**G**

But something wonâ€™t go away

**G A**

**Bm**

Hardly a moment passes

**G**

Hardly a single day goes by

**Em A**

Iâ€™m not remembering

**Bm**

Just to surrender slowly

Into a strangerâ€™s arms

**G Em A**

But you stand watching in the wings

**Em A**

These must be days weâ€™ve seen through tear-filled eyes

**Em A**

It all makes painful sense when I realize

**Em**

When love is over

**A**

Something has to die

**G Bm**

Cause you can say goodbye

**A**
