

Crow And The Butterfly  
Shinedown

A F  
I painted your room at midnight  
A F  
So I know that yesterday was over  
A F  
I put all your books on the top shelf  
C Bb C  
Even the one with the four-leafed clover  
Bb C Bb  
Man I m getting older

A F  
I took all your pictures off the wall  
A F  
And I wrapped them in a newspaper blanket  
A F C  
And i havent slept in what seems like a century  
Bb G# Bb  
And now i can barely breathe

A C F  
Just like the crow chasing the butterfly  
A C F  
Dandelions lost in the summer sky  
A C F  
when you and I Were getting high as outer space  
F G  
I never thought you would slip away  
F G A F A F  
I guess I was just a little too late

A F  
Your words still serenade me  
A F  
And your alibis wont let me sleep  
A F C  
And I never heard such a haunting melody  
Bb C  
And now it is killing me  
Bb G# Bb  
You know I can barely breathe
