

Darkside
Shinedown

[Intro]

A

Can you hear me? Am I speaking clearly?

F

A

Are you starstrucked or just made of stone?

A

Do you need a savior? Some bad behavior?

F

A

Or you could cash it all in, I suppose

[Verse 1]

A

Because you re in deep, resist and repeat

F

A

Face forward and don t come unhinged

A

Block out actors and all these bastards

F

A

That took all the fun out of rage and revenge

[Pre-Chorus]

F

Dm

Don t be so quick to judge, rain havoc from above

A

G

I think I ve had enough, time to raise the dead

F

Dm

It s all subliminal, supernatural

A

G

I might be mental but I ve still got my cred

[Chorus]

F

Dm

A

So welcome to the party, won t you please come inside?

G

Where habits have teeth and the words carry knives

F

Dm

A

You enter at your own risk, so don t be surprised

G

Welcome to the darkside

[Verse 2]

A

Spare me your sorrow, there s no tomorrow

F

A

That s an empty promise at best

A

I tried to play nice, you were baptized in ice

F

A

So don t tell me you re just depressed

[Pre-Chorus]

F

Dm

Don t be so quick to judge, rain havoc from above

A

G

I think I ve had enough, time to raise the dead

F

Dm

It s all subliminal, supernatural

A

G

I might be mental but I ve still got my cred

[Chorus]

F

Dm

A

So welcome to the party, won t you please come inside?

G

Where habits have teeth and the words carry knives

F

Dm

A

You enter at your own risk, so don t be surprised

G

Welcome to the darkside

[Altered Chorus]

F

Dm

A

Your equilibrium has been spun all around

G

F

And everything you know turned upside down

F

Dm

A

The symptoms are contagious, so please be advised

G

So welcome to the darkside

[Interlude]

F Dm A G
