```
Get Up
Shinedown
[Intro] C F C
        Em F C
        Em F C
[Primeira parte]
                            Dm
I know you clinging to the light of day
To tell you everything s A-okay
                                 Am
And medication don t do much
     Dm
                     Am
Yeah, it just numbs the brain
Guess you might say I m a little intense
I m on the bright side of being hell bent
So, take it from me I m not the only one
       Dm
Who can t see straight
[Pre-refrão]
If you were ever in doubt
    Am
Don t sell yourself short, you might be bulletproof
Hard to move mountains when you re paralyzed
         Αm
But you gotta try, and I m calling out
[Refrão]
Get up, get up, get a move on
Get up, get up, what s taking so long
Get up, get up, get a move on
And stop stalling, cuz I m calling out
Get up, get up, get a move on
```

G

Αm

```
Get up, get up, ain t nothing wrong
Cuz I believe you can be whatever
And I agree you can do much better
              CFCEFC
Yeah trust me
[Segunda parte]
                  Dm
Everybody wants to sing that song
                  Dm
So Marvin Gaye what s going on?
                                       Am
Ain t nothing s normal when it comes to you and me
                                                        Am
I rather twist myself in knots then watch you give up on your dreams
[Pre-refrão]
If you were ever in doubt
Don t sell yourself short, you might be bulletproof
Hard to move mountains when you re paralyzed
But you gotta try, and I m calling out
[Refrão]
               C
Get up, get up, get a move on
Am
                G
Get up, get up, what s taking so long
Get up, get up, get a move on
                G
And stop stalling, cuz I m calling out
Get up, get up, get a move on
Get up, get up, ain t nothing wrong
Cuz I believe you can be whatever
And I agree you can do much better
             CFCEFC
Trust me
(CFCEFC)
```

Yeah, I don t know why I never talked too much about it

I guess that s probably part of the problem yeah sometimes youre wrong, sometimes youre right lets go keep moving lets go keep moving, today, tomorrow and the next

[Refrão]

F C

Get up, get up, get a move on

Am G

Get up, get up, what s taking so long

F C

Get up, get up, get a move on

Am (

And stop stalling, cuz I m calling

F C

Get up, get up, get a move on

Am G

Get up, get up, ain t nothing wrong

C F

Cuz I believe you can be whatever

C G

And I agree you can do much better

CFCEFC

Trust me
