

Lost In The Crowd Solo
Shinedown

tabber - IamJonsCranium

The last tab was good but lacked a solo. for convenience, copy this tab, go to the tab, hit ctrl e and it will let you edit the page. paste this into the other tab and print.

following interlude

i did the second section by memory, so i m not sure if that last 10 is supposed to be or if im missing a note. if im missing one, i ll change it later. but overall it be very accurate.

/ with no number behind it means that you start sliding while you pick the note,

so
is no definite start.
