

**Shed Some Light
Shinedown**

E+ **C+** **G+** **D+**
 I m falling apart again
E+ **C+** **G+** **D+**
 And I can t find a way to make amends
E+ **C+** **G+** **D+**
 And I m looking in both directions
E+ **C+** **G+** **D+**
 But it s make believe, it s all pretend

So...

E+ **C+**
 Shed some light on me
 And hold me up in disbelief
 And shed some light on me
G+ **D+**
 And tell me something that I ll believe in

E+ **C+** **G+** **D+**
 It s innocence within the maze
E+ **C+** **G+** **D+**
 But I have chosen the wrong way
E+ **C+** **G+** **D+**
 I m still getting over who I was
E+ **C+** **G+** **D+**
 There s no sense of trust, there s no definition of love

So...

Shed some light on me
 And hold me up in disbelief
 And shed some light on me
 And tell me something that I ll believe in

E+ **C+** **G+** **D+**
 I know now, it s not who you are It s who you know
E+ **C+** **G+** **D+**
 And I see clearly now, which way to go
E+ **C+** **G+** **D+**
 I remember the way I fell from above
E+ **C+** **G+** **D+**
 And I recall the way I was
