Burning buildings from above.
Send the best, and send their love.
Turn away. Goodbye, goodnight.
Go to sleep, now don't you cry.
Are you afraid your life means less?
Are you concerned you might be next?
It's much too soon for me to tell,
If you're in heaven or in hell.

Pre Chorus:

And I will catch you, but you might
Break the fall.

[Chorus]

B5 D5 E5

Goddamn, I might be the son of Sam.

G5 B5

The only child of a holy man.

Look now, over your shoulder.
