[Verse 1]

**A** **D**  
I ll build a castle and I ll make it out of plans  
**A** **D**  
I plan on dropping the lame analogies and quoting my favorite bands.  
**A** **D** **E** **D**  
And in a wry aside I sigh about how unhappy I am that you couldn t trust me (and  
I  
don t really like myself that much either).

[Riff 1]

[Verse 2]

**A** **D**  
I m not asking for the world, but, hell,  
**A** **D**

**A** **D** **A** **D** **A**  
Wooo wooo wooo wooo wooo wooo wooo wooo

[Chorus]

**A** **D**  
Wooo wooo I am alive and I m not sure I like it,

**E** **D**  
but I m sure that I d miss it, and I m sure that I ve expressed this in less  
annoying terms before.

**A** **D** **E** **D**  
wooo wooo Oh oh! I m like a speck of sand on the beach. Oh my god, that is so  
deep! I am sooo deep!
