So much I could say

```
C#.
               F#...
I owe you a love song
     G# .
                A#m . . .
Words that I can t say
C# F#..
Waiting alone
                G#.
In the world you made for me
     C#
Makes staying in love
Just a world of make believe
              F#..
         C#
Where I m playing along
                 G#.
And your words are clear to me
        F#..
    C#
Like hearing a song
         G# .
Without a melody
     G# . . .
                             F#...
These broken days won t last forever
You know I ll put us back together
               F#...
I owe you a love song
      G#. A#m...
So much I could say
 C#.
       F#...
I owe you a love song
  G#. A#m...
Words that I can t say
F#.
   We climb
  G# .
We crawl
             A#m.
Tear down the wall
   C#.
                   F#.
That we ve torn down before
           G#.
                              A#m.
It s not too late the song will say
     G#. F#... F#...
What I never say
               G...
I owe you a love song
       A. Bm...
So much I could say
```

D. G...
I owe you a love song
