

Little Gypsy Girl
Shirley Collins

An amazing song, really fun to play along to. It s by Shirley Collins and The Albion Country Band and I didn t know under which name to submit the chords to. But here they are.

D **G** **A** **D**
My father s the king of the gypsies, it is true,
D **G** **Em** **A**
Me mother, she learned me some camping for to do.
D **G** **A**
They put the pack all on my back, and they did wish me well,
D **G** **A** **D**
Then I went up to London, some fortunes for to tell.
D **G** **Em** **A**
Some fortunes for to tell, some fortunes for to tell,
D **G** **A** **D**
And I went up to London, some fortunes for to tell.

D **G** **A** **D**
As I was a-walking down a fair London street,
D **G** **Em** **A**
A handsome young squire I chanced for to meet,
D **G** **A**
He viewed my brown cheeks and he liked them so well,
D **G** **A** **D**
Says he, "My little gypsy girl, can you me fortune tell?
D **G** **Em** **A**
Can you me fortune tell, can you me fortune tell,"
D **G** **A** **D**
Says he, "My little gypsy girl, can you me fortune tell?"

D **G** **A** **D**
"Oh sir," I replied, "Give me fast hold of your hand.
D **G** **Em** **A**
I see you have riches, and houses, and land,
D **G** **A** **D**
And all your lovely ladies, you must lay them all aside,
D **G** **Em** **A**
I am the little gypsy girl that is to be your bride,
D **G** **Em** **A**
That is to be your bride, that is to be your bride,
D **G** **A** **D**
I am the little gypsy girl that is to be your bride."

D G A D
He led me through woods and through valleys green, I m sure,
D G Em A
Where he had got servants to open up the door
D G A
On the softest bed of down then served me so well
D G A D
That in nine months after his fortune I did tell.
D G Em A
His fortune I did tell, his fortune I did tell,
D G A D
That in nine months after his fortune I did tell.
