**Shivaree**

Shivaree " John 2/14  
Tabbed by: Alexander StÃ|ger

I heard this song a long time ago and desperately wanted the chords.  
After having unsuccessfully searched the internet I decided to make my own.  
Please leave comments if you have any suggestions or improvements. Don t be shy  
:)  
Hope this works for you.

(Verse)

**Bm**  
It s so romantic  
**Em**  
The neighborhood s littered with white gloves  
**F#**  
The flowers were hand picked  
**Bm**  
They re taping up paper doves  
**Bm**  
And it s hard to think  
**Em**  
When everything s red and pink  
**G F#**  
It s hard to eat  
**Bm**  
When everything s sweet

(Chorus)

**Bm Em**  
I guess it s just the perfect time to send some roses  
**G F#**  
And touch their noses  
**Bm**  
And buy them things  
**Bm Em**  
Because it s such a tender time for all the ladies  
**G F#**  
With all those babies  
**Bm**  
Wearing their wings

(Verse)

**Bm**  
Could you be mine

**Em**

And hot-stuff and maybe and foxy and fine ?

**F#**

Swallow your red-hots

**Bm**

And order the fancy wine

**Bm**

And if you please

**Em**

Just bring me some honey I ll send for the bees

**G F#**

You throw your rice

**Bm**

It feeds the mice

(Chorus)

**Bm**

**Em**

I guess it s just the perfect time to send some roses

**G F#**

And touch their noses

**Bm**

And buy them things

**Bm**

**Em**

Because it s such a tender time for all the ladies

**G F#**

With all those babies

**Bm**

Wearing their wings

(Bridge)

**G**

You ve gotta run

**Bm**

They hate it when you re too quiet

**G**

And it s always fun

**F#**

To close up until they buy it
